

Cuando se suman los números de varios dígitos, se les colocan en columnas verticales.  
Se comienza con la columna a la derecha, la de las unidades.

**Step One:** Add the ones together **Step Two:** Regroup if necessary by carrying over the 10's digit to the next column **Step Three:** Add the entire tens column **Step Four:** Regroup if necessary by carrying over the digit to the hundreds column (for larger numbers) **Step Five:** Add the entire hundred<sup>s</sup> column
